Dear Ben and Crystal, I'm still recovering from the weekend. I can't express to you how wonderful it was. The organization was flawless and the coaching incredible, not to mention the performances and dinner on Saturday night which were amazing and very delicious. Congratulations on a fantastic program. All the best,

Erica Waldman

Hola Ben

This is a message from Amanda and Roland. We just wanted to say thank you for making something like this happen for us. We love dance and always wanted to perform. It was a wonderful experience and we would do it again. We work every day to get better and hopefully we will get a chance to perform again one day. We are going to kill that routine! I hope to show it to you one day soon! Because of this wonderful opportunity we got to make our biggest dream a reality. And because of that we will remain good friends. We know you are busy! But don't forget us, cause we are only getting started so watch out!!:)

Thank you deeply,

Amanda and Roland

Can't wait to see the video!

Looking forward to working with you in Feb!

Take care,
